```

```

The diagram illustrates a dependency structure. At the top is a grey rectangular box labeled 'kdbmerge.h'. Two blue arrows originate from the bottom edge of this box, pointing downwards and outwards to two separate white rectangular boxes. The box on the left is labeled 'kdb.h' and the box on the right is labeled 'kdbtypes.h'. This indicates that 'kdbmerge.h' depends on both 'kdb.h' and 'kdbtypes.h'.
